Explanation of Responses:

Remarks:

This Form 4 relates to the Common Shares, \$0.00017727 par value per share (the "Common Shares"), of Myovant Sciences Ltd. (the "Issuer"). On July 10, 2019, the board of directors of Roivant Sciences Ltd. ("Roivant") adopted changes to Roivant's internal governance concerning the disposition of the Common Shares and other matters relating to oversight of Roivant's business and governance. Following the amendments adopted on July 10, 2019, disposition of the Common Shares either the approval of a majority of Roivant's board, including (i) at least two directors meeting certain independence criteria (each, an "Independent Directors of Roivant. However, the vote of a majority of Roivant's balt fibre is only one Independent Director, that sole Independent Director. Andrew Lo and Patrick Machado are currently Independent Directors, including with respect to dispositions of Common Shares. As a result of these changes, the Reporting Persons and other major shareholders of Roivant's board of directors regarding disposition of the Common Shares, and so have ceased to have beneficial ownership of the Common Shares directly owned by Roivant. Roivant's common Shares remains unchanged and this filing is not being made as a result of the purchase or sale of Common Shares of the Issuer by any party, including the Reporting Persons.
